Level 4/5	14 - 16

** All ages indicated are from January 1, 2019*

Students wishing to undertake classical ballet exams must attend two classes per week from Term 1.

All students are encouraged to undertake annual examinations. These offer both positive goals and a challenge to work towards with a great sense of achievement on completion. Examinations also act as a guide for parents, indicating both their child's progress and reflecting the professional standards upheld in the school. Examinations are held towards the end of second term. Examination candidates are chosen at the discretion of the principal.
